

INTERNATIONAL PAYMENTS TO CENTENNIAL COLLEGE JUST GOT EASIER!

You have a lot to think about when applying to a college abroad, including entering international markets to make payments for tuition and other fees.

Some of the complications you can encounter using current payment processes (international wire transfers or bank drafts) include:

- Payments are in a currency different from your local currency
- International wires are costly due to high banking fees
- Retail exchange rates are high
- Payment details provided by your banking institution to the college are sometimes incomplete, which can cause additional time for the college to apply the payment to your student account

For these reasons we are expanding your payment options. **Effective immediately**, you will be able to pay your tuition and any other student fees in your home currency instead of Canadian Dollars.

We know that this will help simplify your payment process.
