The Future of Learning

Special Interest Workshops

MONDAY NIGHT COOKING WORKSHOPS

Join us at our Residence & Conference Centre (Hwy 401 & Markham) for these fun hands-on Monday-night sessions that will introduce you to delicious creations from different cultures, as well as healthy and vegetarian cuisine. Help prepare the recipes, and then sit down and enjoy your creations! Choose from Thai, Indian, and others!
\$59/3 hours (includes cost of food)

BELLY DANCING FOR BEGINNERS CESI-768

Join us for this series of exciting and invigorating workout classes! Learn some basic belly dance movements, while toning and shaping your body, and having fun!
Dress comfortably. Register early; class size limited.
\$45/6 hours

MAKEUP FOR EVERYONE CESI-774

This is a workshop for anyone and everyone! Find out your skin type and what you should be looking for in makeup products. Learn to apply makeup professionally to enhance your individual features.
\$35/3 hours (includes some materials)

VOICE MAKEOVER CESI-707

Learn to improve the sound and clarity of your speaking voice. Talk with more volume, increase your range of sounds, and practice clearer diction. Whether you have an accent, a shy voice, a high voice, talk too quickly, or sound too monotone, this energetic and interactive class is a great way to help you sound your best. Most people feel improvement after this one fun workshop!
\$30/3 hours

IMAGE MAKEOVER CESI-748

A first impression is a lasting impression. We have as little as 30 seconds to establish a positive one. This workshop will help you make the most of your wardrobe and grooming by showing you what not to wear in any social or business occasion. Learn to choose the right clothes to suit your body & personal style. Discover the power of colour and how to use it to your advantage.
\$30/3 hours

WRITING FOR CHILDREN CESI-782

Do you want to write for children or teens? Learn how to generate ideas, develop believable characters, understand genres, edit your writing, and market and promote your work. With hands-on writing exercises, you will come away inspired to create.
\$30/3 hours

INTRO TO YOUR DIGITAL CAMERA CESI-702

Is your digital camera still in its case, waiting for you to finally read the manual and try to figure out how to operate it? Well, smile... and get some help.
Bring your digital camera (and connection cables!) to this workshop and we'll show you how to turn your dreams into great digital prints and photographs.
\$30/3 hours

PHOTOSHOP FOR BEGINNERS CESI-753

Looking for tips and techniques to make your digital pictures better, sharper, brighter and more creative? Learn how to use Photoshop (a popular image manipulation software) to ensure that all your printed images are superb. Say goodbye to red eye, poor exposures and fuzzy pictures! Bring two or three pictures.
This workshop takes place in a lab, and each participant has their own computer.
\$65/9 hours

CHINESE BRUSH PAINTING FOR BEGINNERS CESI-715

Learn Chinese brush painting techniques in freehand style, including line-drawing, wash-and-ink, wash-and-colour and special effects. No experience required! Detailed demonstration and instruction will be provided. Learn how to use oriental art tools and start work in your own creative way!
\$60/3 hours (includes materials)

STARTING YOUR OWN HOME BUSINESS CESI-766

Want to set up your own small business at home? What are the rules and regulations? Come find out (and share!) what resources are available to you, and learn the top 10 tips in starting to set up a successful home-based business.
\$30/3 hours

WEB PAGE CREATION CESI-935

This hands-on workshop will introduce you to and give you practice in actually creating your own website. Create a web page by using software (Dreamweaver) to easily build and preview text, images, animation, sounds, links, standard formats and styles.
Class size is limited and each learner has their own computer.
\$45/5 hours
