# Success Workshops

**(Most only \$5!)**

Continuing Education – part-time evening, weekend and online courses and programs.

[centennialcollege.ca/ce](http://centennialcollege.ca/ce)

**The Future of Learning**

## Success Workshops

### Most only \$5!

These short, introductory workshops are designed to help Continuing Education students succeed. These evening and weekend workshops take place at different campuses, for your convenience.

Register early (phone 416-289-5300) to save your spot! These workshops are supported by funding from Continuing Education student fees.

#### CHOOSING THE RIGHT CAREER

CESS-933

Not sure what career you want to pursue? Maybe you've been in the workforce and are looking to change careers? This workshop series presented by Centennial's career counsellors, will help. Find out how to assess your interests, skills and values. Learn about the changing economy and its impact on choosing a career, as well as how to research your career choices.

Fee \$10 (9 hrs)

#### JOB SEARCH SKILLS

CESS-964

A good resumé can open the door to an employer. Bring your current resumé and let us help you make it better. Learn tips to succeed in today's tough interview situations, and to show employers that you have what they need. Learn how to prepare for interviews, what kinds of questions to expect, and how to follow-up.

Fee \$5

#### HOW TO SUCCEED IN COLLEGE

CESS-851

If you're out of practice at being a student, or want a quick way to improve the skills you have, this is the workshop for you. It covers all the basic skills you need: successful note taking, effective reading, essay writing, time management, memory and concentration, and test taking. Get a head start with this short, practical class.

\$5 (3 hours)

#### ENGLISH PRONUNCIATION – AN INTRODUCTION

CESS-967

This three-hour workshop is for English language learners who feel that their pronunciation makes it difficult to communicate effectively with others. This introductory workshop will present the basic sounds of English. It will also introduce learners to other Centennial courses and services that can help.

\$5 (3 hours)

#### GREAT PRESENTATIONS

CESS-943

Learn some tips to help make your presentations more interesting and exciting to your audience. Discover how sound, visuals, and props can help make your words come to life.

\$5 (3 hours)

#### HOW TO WRITE TESTS

CESS-845

Overcome exam anxiety and learn to show what you know. Explore different test formats – multiple choice, short answer, matching, true or false and essays – and learn tips for succeeding with each.

\$5 (3 hours)

#### BLACKBOARD 101

CESS-966

Learn how to navigate and use the Blackboard e-learning tool for online learning. Review and use, in a hands-on computer lab, the tools and information available to students using the Blackboard Learning System.

\$5 (3 hours)
